

FAST SLOTHS - Scenario 3: Troublesome Island!

In this *Fast Sloths* race, very few animals are running around. And why doesn't anyone want to be on the island? Besides your Sloths, the following animals join the race: the Donkeys, the Unicorn, the Dolphin, the Giraffes, the Eagle, and the Orangutans. To start the race, place the Animal Discs onto their given starting spaces, and the Leaves of each participating Sloth on all nine trees on the Game Board.
