

FAST SLOTHS - Scenario 6: Starting over, or not?

This *Fast Sloths* race takes place in the very first country resort. What must it be like, when a different group of animals participates?

Besides your Sloths, the following animals join the race: the Donkeys, the Unicorn, the Dolphin, the Giraffes, the Mountain Goats, and the Ants.

To start the race, place the Animal Discs onto their given starting spaces, and the Leaves of each participating Sloth on all nine trees on the Game Board.
