

FAST SLOTHS - Scenario 7: Who placed the animals like that?

In this *Fast Sloths* race, the Sloths need some patience. Either the trees are at the wrong place or the animals are in desperate need of a vacation, as everything is mismatched. Besides your Sloths, the following animals join the race: the Rabbits, the Human, the Crocodiles, the Elephants, the Eagle, and the Orangutans. You also need **Expansion 1: The Next Holiday!**

To start the race, place the Animal Discs onto their given starting spaces, and the Leaves of each participating Sloth on all nine trees on the Game Board.
